Love

Insert N-1 through N-4

You can prepare for the discussion about the theme **Love** by thinking about how you might answer the following questions:

Do I think love is a feeling or an action? Explain.

What does "God is love" mean to me?

What are five things that I do in my everyday life that I would consider "love in action?"

How does love for others manifest itself in my life?

What are the implications of God's command to "love my enemies" in my home, in my community, in our country, in the world?

Is it really possible for me to love my enemies?

Who is someone (either someone famous or someone I know or have known) I think is living (or has lived) the commandment to "love your enemy?"

How can giving sometimes be done "not in a spirit" of love?

What is my secret to performing daily responsibilities in the spirit of love?

Group Prayer – My intentions for group prayer this week:

My Personal Response in Love for this week – During this week, send a special note to a family member reminding them how much you love them.
